### You Will Taste a Difference!

**Cheap pizza always tastes cheap.** The lowest price always means the lowest quality. Brick Oven uses only imported extra virgin olive oil... organic tomatoes... whole roasted garlic cloves... fresh basil and real Italian sausages.

Of course these extras cost a bit more than lard, powder and mystery meat... but you will taste the difference! So pay a little more for a Brick Oven Pizza and enjoy every mouth-watering bite!

### Ultimate Guarantee

Not only do we guarantee our pizza, we also guarantee our competitor's pizza! Next time you are unhappy with a pizza, we will replace it at no charge... even if it's not ours!

(You must have more than half of competitor's pizza for trade. Available for pick-up. Only one pizza per household)
